Dear Sir:

Pursuant to the provisions of 37 C.F.R. Sections 1.56, 1.97 and 1.98, Applicants identify the patents and documents listed on the attached Patent and Trademark Office Forms PTO/SB/08A and PTO/SB/08B for consideration during prosecution of the subject patent application. Copies of the cited U.S. patents are not enclosed herewith. See Pre-OG Notice "Information Disclosure Statements May Be Filed Without Copies of U.S. Patents and Published Applications in Patent Applications filed after June 30, 2003 (signed 11 July 2003)". Applicants submit herewith copies of the documents cited on the attached form PTO/SB/08B for consideration during prosecution of the subject Application.

The Examiner's attention is also directed to the commonly assigned, co-pending applications, as set forth on page 1, lines 4-10 of the specification. Copies of these applications, marked "COPY" on the first sheet thereof, are enclosed for convenience of reference by the Examiner.

Additional background information is discussed in the specification under the heading "Background Information."

This statement is filed solely for the purpose of complying with the pertinent rules of the Office and is not intended to be a substitute for an independent evaluation by the Examiner of the art cited or an independent search by the Examiner, and no representation of any nature is made or intended by the filing of this statement.

In addition to the art cited on Forms PTO/SB/08A and PTO/SB/08B, Applicants and/or their attorneys may have been exposed to or considered additional art relating to the general class of the subject matter of the invention. However, if in fact such exposure or consideration has occurred, to the best of their recall or judgment, none of such art is prior art which is more relevant than the art cited.

This Statement is being filed, pursuant to 37 C.F.R. Section 1.97(b)(1), within three months of the filing date of the Application. Therefore, it is submitted that no fee is due.

If it is determined that any fee is due, we request that it be charged against Deposit Account No. 05-0275. A duplicate copy of this Statement is enclosed.

Respectfully submitted,

Kirk D. Houser
